

Unit in Sustainable Sharehouse

Two bedroom self-contained unit on ground floor of sustainable sharehouse in Coopers Plains. Semi-furnished. Rent includes all utilities (please inquire). Suits a couple who likes gardening, growing own food. No dogs or cats – adopt the chickens.

Living room, kitchen/dining/laundry, a separate toilet/shower and a patio area. Suits minimalists, as the unit is 67m². Includes 2 raised wicking garden beds with all equipment supplied, one car lock up garage & bike shed (shared with owner).

KITCHEN/DINING ROOM

LIVING ROOM

The House is a 15 yo reproduction Qlder, fully insulated, solar-powered, rainwater supplied to all taps, solar hot water, composting and recycling of everything. Ceiling fans and security screens. Must be willing to use windows, doors and blinds to control temperature in summer and winter (no aircon).

I live upstairs with BnB guests/tenant sometimes. I am friendly and cheerful and welcome interaction, but respect privacy. I keep the place well maintained and do community work. Am a fit 66 yo and tend the large permaculture garden and welcome your involvement.

5 mins walk to bus stop (40 mins to city) and the area is bicycle-friendly. Market Organics is a few klms away, as is Mt Gravatt & Brisbane Markets.

Available date by negotiation. 3 month trial lease. No smoking or undue drinking, drugs, etc.. Send a full introduction, please. No quick entries to this unit as it is a shared house. Will not respond to inquiries asking for information already given here.
